# INTRODUCTION

The quality of the Golf Courses is one of the main ingredients which contribute to making a golf day successful.

Attention to detail is what distinguishes the good event from the great and at Stock Brook we know what it takes to make a perfect day.

Every golf event is special and unique and with your own Golf Event Manager and custom built packages, we can create a day that matches your specific requirements. Whether you are entertaining clients, with a group of friends or work colleagues, Stock Brook is the ideal venue for a day out golfing!

Golf Days can be held on all three of our courses Stock, Brook & Manor with the Stock & Brook our main Championship Course. This allows for a range of formats dependent on how you wish your day to run. We have a large fleet of golf buggies and trolley for those that require them along with a state of the art TRACKMAN driving range and practice facilities for warming up prior to your day.

Once you are all golfed out then you can join us in our Clubhouse with a wide selection of food on offer and private suites for those requiring a more intimate environment.

A large, close-up image of a white golf ball. The ball has a dimpled texture. In the center, there is a large, dark 'SB' logo. Below the logo, the words 'STOCK BROOK' are written in a bold, serif font, and below that, 'THE COUNTRY CLUB' is written in a smaller, all-caps, serif font.

**SB**
